

Introducing the Thermo Scientific Pierce Antibody Innovators Program where you can get rewarded for sharing your data with us and others. The no-hassle program provides several options to submit your data and, in return, you could receive additional antibodies of equal or lesser value absolutely free. As always, you can rely on our 100% performance guarantee that ensures all antibodies work robustly in the applications listed on the data sheet.

Share your data and get a free antibody!

Innovators Program Rewards – How it works

How to submit your data

1. Contact a Technical Support Scientist (1-800-874-8723 inside the U.S. or +1-815-968-0747 outside the U.S.) or email us at [abs@thermofisher.com](mailto:abs@thermofisher.com) to determine if your application qualifies.
  2. Once your application is qualified, go to [www.thermoscientific.com/innovatorsprogram](http://www.thermoscientific.com/innovatorsprogram) for information on how to submit your data (a high-quality image and a brief description of the image, test application and results).
  3. We will contact you to issue your reward.
- You can repeat the process as many times as you like using different, qualified antibodies with images of distinct applications.

Offer void where prohibited. See website for complete terms and conditions.
